

Appendix B: Pupil Development Grant Strategy Statement

From 2022-2023, schools will need to complete and publish a statement on their Pupil Development Grant (PDG) strategy. This can be seen below.

From 2022-2023, the consortium will also be required to publish a statement on its Early Years Pupil Development Grant strategy for non-maintained settings providing funded early education. This should follow the same format as the template for schools below.
